Quarterly Security Watch...

Tips for Avoiding Identity Theft:

- Never throw away ATM receipts, credit statements, credit cards, or bank statements in a usable form.
- Never give your credit card number over the telephone unless you make the call.
- Reconcile your bank account monthly, and notify your bank of discrepancies immediately.
- Keep a list of telephone numbers to call to report the loss or theft of your wallet, credit cards, etc.
- Review a copy of your credit report at least once each year. Notify the credit bureau in writing of any questionable entries and follow through until they are explained or removed.

Tips for Avoiding Ponzi Schemes:

- Be careful of any investment opportunity that makes exaggerated earnings claims.
- Exercise due diligence in selecting investments and the people with whom you invest—in other words, do your homework
