Tips for Avoiding Identity Theft:

- Never give your credit card number over the telephone unless you make the call.
- Reconcile your bank account monthly, and notify your bank of discrepancies immediately.
- Keep a list of telephone numbers to call to report the loss or theft of your wallet, credit cards, etc.
- Review a copy of your credit report at least once each year. Notify the credit bureau in writing of any questionable entries and follow through until they are explained or removed.
